

Agile: Retrospective

What went well?

- Daily team meetings.
- Productive and good communication.
- Team members applied collective ownership when working on the website.

What didn't?

- Several errors came up when testing the code.
- Testing and implementation took longer than anticipated.

What could we do differently?

- Better planning and time management.
- Publish the website online.

Team Members:

- Farida Hesham
- Marwan Hashem (Scrum Master)
- Omar Ahmed Salah
- Yara Amr
